Mrunalini Gote

I booked my Bhutan trip with TripKarado, and I'm so glad I did!

From the very beginning, Vishal has been amazing, always patient with my endless questions and super helpful in explaining the itinerary. I was actually the first person to book this trip for August, and when I asked for a homestay to experience traditional Bhutan, he made it happen without a second thought. That extra effort really meant a lot & honestly, not everyone would go that extra mile, but Vishal did.

The trip itself was just perfect.

Khushbu Soni

A special thanks to Vishal, Vivek, and our guide for taking such great care of us. They were extremely supportive, friendly, and treated us very nicely on a personal level throughout the trip. Their efforts truly made the experience even more memorable.

Chandana Rachha

Our guide Ugyen was incredibly knowledgeable and so fun to be around. He made sure everyone had a great time and there was no single boring moment. This was my first ever group trip and didn't expect it to be so much fun. We started as strangers and by the end we became like family members. I am so grateful for such a wonderful experience. Thank you Tripkarado!

POOJA

A special thanks to Vishal, who was my point of contact. He was very responsive, patient, and supportive from the beginning till the end. Because of him, we could truly experience the essence of Bhutan.

A special mention to the tour managers, Ricks, Suraj, and Vishal. Their proactiveness, constant support, and adherence to timelines ensured we did not miss out on anything.
